On May 15, 2018, OPHA will host the 8th Annual Celebrate Public Health Award Dinner. Public health practitioners including physicians, nurses, health commissioners, registrars, health educators, optometrists, social workers, dentists, chiropractors, sanitarians as well as academics from around the state attend this celebration. This event recognizes individuals and groups that have made outstanding contributions to public health in Ohio and serves as OPHA’s major fundraiser each year. Your sponsorship provides a number of benefits including new this year a chance to have your organization listed on the event signage which will be displayed during the general conference.
